The Service

Adult Social Care works to ensure a sustainable social care service across the city. Services offered by adult social care include, but are not limited to care and nursing homes, home care, occupational therapy, respite care, safeguarding adults and much, much more.

What is the role?

The Deputy Director role is key in supporting the Director of Adult Social Care in providing strategic and operational leadership and being accountable corporately for ensuring effective management for all operational and strategic functions of adult social care services. Working with the Director in the delivery of the Adult Social Care strategy and the Health & Care Portsmouth blueprint. This role works to support the Director to maintain, develop and consistently seek to improve adult services and workforce plans/policies, to reflect the corporate and integrated health and social care agenda and effectively deliver service priorities, as agreed with the Director and Elected Members.

The Deputy Director for Adult Social Care is responsible for interpreting and implementing national strategies for each care group. The role will deputise for the Director at a number of local, regional and national forums and meetings as required and report to the DASS, and Elected Members on specific areas of responsibility as required, or in the absence of the Director. This role has a responsibility, with the Director, for the delivery of statutory functions, including safeguarding adults and oversight of social care practice in Portsmouth.

The role will liaise at senior manager, executive and assistant director level across departments / directorates and NHS organisations, (local and regional) interfacing with Councillors, presenting reports at Cabinet as required and in the absence of the Director. There is a requirement to attend Cabinet and Full Council when called upon or in the absence of the Director. There will be a need to provide accurate, timely and relevant advice to the Director of Adult Social Care, Chief Executive and cabinet member, (when necessary)

as well as working with the Director to ensure effective decision making relating to HR issues, business planning & continuity, emergency planning, allocation of resources and maximising external resources and income, including work with partners to develop and deliver services and projects that reflect the priorities of the service and the council.

This role works with the Director to maximise opportunities for integrated working with the NHS and coordinating services and delivery of partnership activity as necessary, monitoring performance and service improvement. The role ensures compliance with regulatory standards and their interpretation within a changing national agenda. There is a requirement of decision making in respect of safeguarding vulnerable adults including risk management for individuals and organisations, liaising with families and other stakeholders including the Police, NHS and regulatory bodies.
